SUPPORT YOUR ASSOCIATION

Everyone is invited to our Horticultural Shows:

Spring Show on 7th April 2018 and 30th March 2019

Summer Show on 30th June 2018 and 29th June 2019

Autumn Show on 22nd September 2018 and 21st September 2019

Admission is free and there are beautiful displays of flowers and floral art plus vegetables as well as cookery. There are also handicraft and photography classes at the Spring & Autumn Shows. Our refreshments, with a selection of homemade cakes, are always very popular as well as our variety of 'bring and buy plants' some of which are for sale in aid of charity. We always hope to include a display by a local community group or a charity. We welcome entries and details of the classes are in our Handbook plus information as to how to enter is in our Newsletters, distributed four times a year.

Early in the year members receive a list of bedding plants to order for collection from Glyn School, The Kingsway, Ewell, KT17 1NB in mid-May.

During the year we offer members an opportunity to book day and weekend trips to places and gardens of interest, not always open to the public, at very advantageous prices; early booking is recommended as these trips are always well subscribed.

Four local horticultural businesses offer members a discount on production of a current membership card – please see Page 14 for details.

Dobies offer our members discounts on seeds and plants by quoting the code given in the Autumn Newsletter. Purchases can be made by post, phone or via email or the web; orders from Dobies also benefit the Association.

Meetings with speakers are held on the second Tuesday in the months of March, April & May then again in September, October & November at 8pm in Bourne Hall, Spring Street, Ewell KT17 1UF. The programme is advertised in the Newsletters, on our web site and is also listed on your membership card.

FLOWER CLASSES

Generally speaking in all floral exhibits blooms should have form, size, brightness, good foliage and at the time of judging be in the most perfect phase of their possible beauty. Form implies abundant petals of good substance, regularly and gracefully arranged within a regular outline and having a well- formed centre. Size implies that the bloom is a full representative specimen of the variety. Brightness includes freshness, brilliancy and purity of colour.

Antirrhinums must be shown as annuals. Shrubs including roses not to be exhibited in garden flower classes.

Size of pots. The diameter of a pot or pan is the inside measurement made as near the top as possible. A pot is defined as any container in which a plant is grown.

DOMESTIC CLASSES.

Exhibits to be shown on own plates and enclosed in a clear plastic bag.

Jam, Marmalade etc. should be shown in jars that are adequately sealed and that do not display a trade name. New twist tops are permissible. Screw tops are not airtight and these jars should be sealed with a taut cellophane or cling film cover. The jars should be adequately filled and a wax disc inserted. The jars should be clean with no traces of old labels or finger marks. The date of making should be shown and the type of preserve e.g. Seville, Raspberry, Lime, etc.

Chutney should have a solid cover (if metal it should be coated inside with plastic) and the label should show the date of making and the type.

Quiches and Flans should be removed from the tin or dish, so that the pastry can be judged.

For *Victoria Sandwiches*, weigh the mixture in the tins to divide it evenly before baking.

Use a strong flavoured cheese for better flavour in cheese recipes.

FLORAL ART CLASSES.

An Exhibit is composed of natural or fresh plant material, with or without accessories, contained within a space as specified in a show schedule.

For further details and definitions please refer to the National Association of Flower Arrangement Societies Competition Manual – 3rd edition 2015, in accordance with which all classes will be judged.

Staging

Space allowed: Measurements given are Width x Depth x Height. All dimensions are approximate.

Staging and background: pale grey fabric. To be viewed and judged from the front.

Exhibit must not exceed the space allowed. On the other hand, an exhibit may be penalised for being too small for the space allowed. A general guide is to keep at least 5cm within the scheduled space. Marks are awarded for good design/interpretation/presentation and not for prize blooms, although the general condition of the flowers will be taken into consideration. In all classes where prizes are given for decorative effect, the exhibit must be exhibitor's own work but can be brought from home.
